## Welcome to the Brighton Surf Life Saving Club

The Brighton Surf Life Saving Club (SLSC) is a “not-for-profit” organisation and is registered with Incorporated Societies and the Charities Commission.

We provide an essential service to the beach going public as well as the surrounding communities of which we are a significant part of. We are affiliated to Surf Life Saving New Zealand as our parent organisation.

Brighton is a small community approximately 20 minutes’ drive south of Dunedin. It is regarded as having one of the smallest but strongest Surf Life Saving Clubs in the Southern Region and it competes with distinction at a Regional and National level.

The Brighton SLSC has over 170 members with a very strong Junior Club (under 14 years old) headed by a strong and active group of Senior Competitors in all age groups.

The Brighton beach is sheltered between Big Rock and the Brighton Domain headland and is regarded as a relatively safe beach in comparison to the more exposed city beaches. On a nice Dunedin summer’s day the Brighton beach is hard to beat and can be packed with swimmers and people using the beautiful beach. (A decent day may see about 1000 persons enjoying our beach and community).

It is a popular family beach with families coming from Dunedin and from the Taieri Plains to enjoy the rocks, scenery, sand and the surf. Brighton’s Surf Lifeguard patrols are consistently among the region’s best with high numbers and a strong focus on preventative and proactive lifeguarding resulting in a lower than average number of rescues.

Brighton Surf Life Saving Club was formed in 1937 and has a proud history of national competition success in the canoe and IRB especially.

## What we offer and provide to the community:

- As a community service, this just completed summer we carried out: (Stats from the 2023/2024 season)
  - 1680.75 hours of Voluntary Patrolling
  - 6 First Aids
  - 4 Rescues
  - 5 Searches

- 
- 145 Preventative Actions involving 1095 people

- 2400 Public involved in actions

An active recreation and sporting club for 172 members with ages ranging from 5 to our oldest member of 70+ years old.

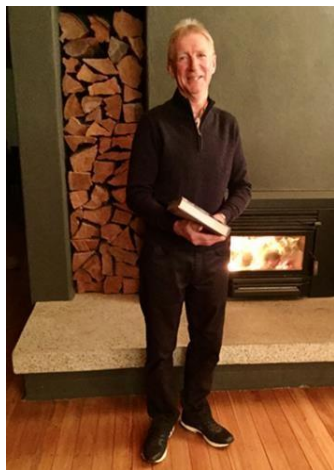

- Education and development of our members is essential, but also opens up other opportunities for personal and professional development.
- recognition and acknowledgement programme for our members.
- There are opportunities for our members to represent Otago, the Southern Region, New Zealand and even Internationally through representative sporting opportunities, leadership programmes, delegates to committees and conferences.

---

Patron's Report – 2023/ 2024 season

No formal report from Maurice this year. Maurice advises he remains supportive and proud of the Club's achievements. Maurice extends his thanks to the management team, supporters and members for the way the club has performed and again laid the platform for the years ahead.

## OFFICE BEARER REPORTS

### President – Craig Dinnissen

2023-2024 President: Craig Dinnissen

I am pleased to present my report to the Club and members of the Surf Lifesaving community linked with Brighton Surf Lifesaving Club Inc, Dunedin.

As this has been my first year in the capacity of President, I wish to start by thanking the committee for their support and guidance in the role. After having served as the Club Captain in 2022-2023 season to be privileged to be nominated and supported to fulfil the role it has been hugely rewarding.

To the committee, thank you all for the tireless work you do, have done and will continue to do for the betterment of, and increased and enhanced service our club can provide its members and our beach goers, which is pleasing to see is ever increasing.

To our members, I thank you for joining Brighton Surf Lifesaving Club and supporting us in providing a service to the public, growing our lifeguarding stocks through bringing your children along to our junior sessions, sporting competitions and social events. And even getting the bug and completing Lifeguard awards to support our club. This all contributes to financially strengthening our footprint and memberships for each season and upcoming seasons. It is greatly appreciated and acknowledged in the current economic state some things are tight and unaffordable. I wish to assure you the committee understand the pressures families are facing and have taken an approach to ensure Surf club membership remains affordable, this coming year there has been a slight adjustment which has been subject to great discussion.

This previous year saw a significant fiscal package reduction in CGF across the country with on average 60% less CGF provided across the country. This has meant management of associated SLS operational costs have been tightened, but in saying that I am ecstatic to say at the end of our fiscal year we had money to spend and the club has managed to benefit through the purchase of new medical equipment such as a scoop stretcher, New Life jackets for rock work, IRB safety as well as fin belts, tubes and even a Loud Hailer to allow greater communication to beach goers.

I wish to acknowledge the support of our sponsors Heli Otago who have again provided a significant donation following a successful Brighton Gala day these funds

---

have also allowed new equipment for the club and you will see their name on the back of new PFD's. Colin and Ann Weatherall, and the rest of the Weatherall family, for their support through the Gala Day which provides opportunity for positive public exposure for the club as well as the ability to raise funds through gate donations and a stall site. Allied Security for their ongoing support of high visibility singlets for our members, as well as the various community funding groups such as Bendigo Trust, Otago Community Trust, the Tu Manawa Fund for providing grants to help support the purchase of new equipment for competitions and operational purposes.

To our members and competitors congratulations on a successful season from those competing at Interclubs, Regional events and National events such as Oceans 24, Senior Nationals and IRB Nationals. To your coaches, mentors, caregivers, parents and peers thank you for assisting our members with their personal achievements and development.

To our lifeguard's thank you for your volunteer hours, dedication to supporting our beach to be incident free and ensuring all beachgoers are provided a safe space to enjoy our coastline. Having a new approach to our mandatory annual refresher training for a second year has had positive effect on our skills and knowledge to provide on the beach, so I thank you all who get along get it done and make these days enjoyable. So also huge thank you to the facilitators who also organise this day it is great to see such a positive opportunity for our teams to come together.

Congratulations to our new lifeguards, rookies and patrol support members we look forward to another season of supporting you to deliver on our goal of no drownings at our beach. This actually goes further to trying the

Congratulations to club members nominated for Otago/Southland awards and National recognition of services to Surf Lifesaving including David Clarke, Nevan Trotter, Teena Joyce, Max Skerret, Javara Clark, Jamie Blair, Gabby Trotter, Stevie Kahui, Matilda Dunn, Aedan Dinnissen, Mark Lane, Shana Hindle as well as National competition champions Dave McPhee, David Clarke, Dana Marais, Tommy Weatherall and our Oceans 24 contingent of competitors.

We see ourselves again looking for new members to join or our committee in a couple of vacant roles, social media messaging and emails seeking nominations have resulted in very limited responses. I hope we can fill the vacant roles to allow for a full composition of our committee to ensure we can sustain the requirements of operating the club and supporting our members.

Of note this year with a change to statutory legislation of the committee has needed to review our constitution and update it to comply with the changes. These having

---

been identified at a National level as requiring attention. I wish to express my gratitude to those members who were part of this working committee that discussed and amended the new Constitution to fit requirements, Karen Hanna, Mark Lane and Nevan Trotter and Marilyn Moffat from a National office support role. Your committee has also discussed and reviewed a current committee role as it was identified as being too large for one person to manage and have considered a splitting of the role and creating a new position. We as the committee are happy to discuss the necessity to amend and provide clarity of purpose of the new roles, as we have been working on various other roles over the previous season to modernise how position descriptions.

From our other AGM report writers, I thank you for the detail you have provided about some of our activities and to our treasurer Martyn Solomon thank you for the financial report and the work you have done to ensure we are on track with our budgets and auditing requirements.

There are numerous other people that need recognition for work they have done to support our club outside of committee roles please accept my thanks on behalf of the committee for your ongoing work and support -Dennis Trembath, Jordan Sheed, Max Skerrett, Teena Rohmets (Joyce), Scott Weatherall, Daniel Dunn, Ruby Sutherland, Deanna and Shane Kaina,

These are but a few of those who have supported the club in various ways and I wish to thank those also who I have not mentioned.

To all our Lifeguards also thank you for your ongoing support and in it for life approach to keeping our beach safe.

Thank you to your club committee members:

Mark Lane (VP), Shana Hindle (VP), Nancy Pribble (Secretary) Karen Hanna (BC and Sec) David Clarke (PCO), Gabby Trotter(SLC), Amelia Lane (CC), Martyn Solomon (Tres), Danny BLAIR (JC), Mackenzie Dinnissen(JCC), Javara CLARK (JCC)

Thank you all again for your support and the opportunity to represent the Brighton Surf Life Saving Club as your 2023-2024 President.

---

### **Vice President – Mark Lane**

I have greatly valued my role amidst an engaged committee who have dedicated considerable time steering the club towards a sustainable financial future. Being part of setting systems, standards, and processes to add to the club's longevity and striving to maintain and enhance the participation and enjoyment of our membership has been rewarding.

It's been wonderful to see and be part of a developing Masters canoe crew. I've enjoyed helping to bring teams of athletes together for training and competition.

Junior participation continues to thrive. It's heartening to see nippers giving it a go and gaining experience as they move towards the ultimate goal of becoming a lifeguard. We had good numbers at events and training sessions throughout the season!

It's often challenging to get people to commit to patrolling, so a huge thank you needs to go out to all who did large numbers of hours to help keep our beach safe! Next year, we hope to install some initiatives to encourage members to put their hand up for patrolling.

Brighton has punched above its weight in the overall club standings. We were over-represented in event guarding and as officials for local junior comps and at national level events. I would like to say a big thank you to those people who put their foot forward for this. Proud!

Highlights for me this season included launching the Formica flyer, getting a team to Nationals with all the fundraising and team effort to make it happen, helping to develop a team culture, and encouraging people to "have a go" through canoe. Additionally, we established the club's website and reinstated our facility hire program as well as adapting our constitution in alignment with SLSNZ.

**Mark Lane**  
**Vice President**

### **Club Captain – Amelia Lane**

Firstly, I wish to thank the club for the opportunity to be in the position of Club Captain for the 2023/24 season here at Brighton Surf Life Saving Club. It has been a privilege to work alongside the committee to support and assist with the growth of our club!

For the 23/24 season, we were able to put together 6 patrols which covered all required weekends and patrolling Otago Anniversary and Waitangi Day. Throughout

---

the season within our patrols, we had 45 active lifeguards, 2 patrol support and 5 rookie guards. This season we have seen a further increase in voluntary lifeguards with 15 people completing their lifeguard award, thanks to Gabby for helping them work towards this. The number of new lifeguards is increasing in our club, and it is great to see new families joining and learning new skills to help keep the public safe.

At the start of the season, we completed a club refresher including real-world scenarios. This continues to ensure our lifeguards are capable and can complete their responsibilities to a high standard. We had a very high success rate of people who could show up to our first refresher and the others were able to complete catch-up sessions with myself, Gabby or Dave. I feel as if this is the most successful way to complete our season refreshers as people find it engaging as well as continuing to learn new things. We had some social events throughout the season for the seniors which allowed everyone to come together. Throughout the coming years, we wish to continue these social events to build stronger connections throughout the club and provide a safe space for people to come and hang out with friends. The support of patrols with refreshments was also appreciated by our volunteers. It is a simple form of recognition and appreciation for the efforts that everyone puts in by giving up their spare time to keep our local beaches safe.

In the 23/24 season, Brighton Volunteer lifeguards completed 2,412 patrol hours, 9 rescues, 7 first aids and 293 preventative actions. I would like to say a massive thank you to Morgan Skerratt and Jessica Hanna who both completed well over 100 hours with Morgan at 140.75 hours and Jess at 127.50 hours.

I would like to thank Danny Blair, Jordan Sheed, Max Skerratt, Dennis Trembath and all the other amazing parents who dedicated their time to promoting a friendly, fun and responsible atmosphere for our kids to enjoy at Junior Surf. I would also like to thank Nevan and his Tuesday/Friday crew for all the time and effort you put into those kids to ensure they are learning new skills as well as having fun.

Lastly a massive thank you to all the new and seasoned lifeguards who have contributed to our club this year. Your leadership is valued and an essential reason why we have several new Patrol Captains, IRB drivers and crewmen.

**Amelia Lane**  
**Club Captain**

---

## REPORT – GABBY TROTTER – CHIEF INSTRUCTOR

We have had another very successful season in 2023/2024.

We had 12 new lifeguards gain their lifeguard award and additionally had members seeking out new qualifications across all areas (coaching, officiating, first aid, instructing, and IRBS). Thank you to Amelia, Aedan, Eligh, and Javara for assisting me with the instruction of the Become a Lifeguard course. Instructors play a crucial role in ensuring the correct content is delivered, inspiring and mentoring our young people, and demonstrating the roles and responsibilities one needs to become an exceptional Lifeguard.

This year the number of competitors increased compared to the last few seasons, which was great to see. We had some great results from Otago Champs, South Islands and Nationals. Southern Regions were held in Dunedin this year. Our individual and team athletes performed well. Team Brighton came away with three 1sts, thirteen 2nds, and three 3rds. Our Brighton team achieved great results at the TSB NZ Surf Life Saving Champs held in Mt Maunganui. The team was able to develop and gain experience competing at a national level and I hope to see them back on the beach next year in Gisborne for the 2025 Nationals. A special congratulations is in order for Dave McPhee, whose outstanding performance earned him the gold medal in the masters sprints and beach flags events.

Thank you to all our coaches, managers, and supporters for your dedication over the season, we couldn't do it without your support. Additionally, thanks to our senior athletes who engaged with our junior club members through coaching or event guarding, this is integral to developing and encouraging our junior athletes coming through to compete at a senior level.

This was my last season as chief instructor on the committee. Thank you to everyone who has supported me over the past five seasons.

**Gabby Trotter - Chief Instructor**

---

## REPORT- DANNY BLAIR – JUNIOR CO-ORDINATOR- 2024

### Danny Blair - Junior Surf Coordinator

Another great year for our Brighton Junior club. We had quite a number of our juniors move through to the senior club at the end of last season which has seen our junior club membership drop back slightly to around 115. Many of our new kids have embraced the sport and learning opportunities. It's great to see our junior parents becoming involved at our Sunday sessions and even a few becoming lifeguards.

This summer, we've even had a few of our juniors turn 14, obtain their lifeguard awards and begin patrolling.

#### Highlights include:

- Great effort with most of our juniors getting their 200m badges
- Lots of kids learning and having fun on their paddleboards coached by Nevan and his team
- Focus and improvement in our swimming events
- Excellent coaching program support by our lifeguards during the week and on Sundays
- Good equipment availability
- Awesome support from our parents to make everything run smoothly :)
- A few top athletes in respective age groups at Otago Champs

#### Key events through the season:

- Otago Champs @ Kaka Point
- Junior SRCs at North Beach

In February, a group of Brighton nippers attended the 'Oceans Festival of Junior Surf Lifesaving' at Mt Maunganui. Brighton had a team of 7 juniors travelling with the Otago team of 23 athletes. It was a great event with lots of our team making finals and being able to join in lots of team events.

Thanks to our amazing group of parents over the season who helped things to run to plan. Without this help, we couldn't continue to give these kids the opportunities and experiences that they love. From helping to strap gear to trailers, tirelessly getting into the water to help - thanks so much and I hope we can keep this up next season :)

Thanks to all our coaches - Nevan, Mark, Max, Jordan, Amelia, Gabby, Javara, Tim and Craig plus all the other lifeguards who have regularly helped. Also, thanks to our wider Otago Junior 'contingent' of coaches and athletes. We've been continuing to build relationships across the local clubs and this is paying off with kids getting more opportunities to train at

---

other beaches and share their surf lifesaving fun with kids from all over Otago. Thanks to everyone for making other club members welcome at our beach.

This season I've been supported by Jordan, Max and Shana to help run our Sunday sessions. These were regularly attended by more than 40 children, peaking at times to more than 60. These kids were managed in their different age groups by our amazing parents and lifeguards - I really appreciate (and need) your help. Thanks to all the coaches, lifeguards and parents who have been there to make this happen.

Brighton Junior Club is currently in a very strong position with a great future. We got super keen kids who love the beach and the surf and awesome families becoming involved.

**Danny Blair - Junior Surf Coordinator**

## Brighton Surf Life Saving Club Incorporated.

### Performance Report

For the year ended 30 April 2024

---

#### 10. Property, Plant and Equipment

The Club buildings have a book value of \$573,008 (2023: \$573,008). \$49,366 was spent on a new IRB, a new IRB engine, a new canoe, new radios and new rescue and training boards in the year to 30 April 2024.

#### 11. Capital Commitments

The Club has no commitments as at 30 April 2024. (2023: Nil)

#### 12. Contingent Liabilities

The Club has no contingent liabilities and no guarantees as at 30 April 2024. (2023: Nil)

#### 13. Related Party Transactions

There were no transactions that involved related parties during the financial year. (2023: Nil)

#### 14. Events After Balance Date

There were no events that have occurred after the balance date that would have a significant impact on the Performance report.

**Martyn Solomon**  
**Treasurer**

---

### Subscriptions for 2024 / 2025 season

Craig recommended that the Subscriptions for 2024/ 2025 season be the same as this last season which are as follows:

Senior Subs (14 and over) Members	\$50.00
Junior Surf Member (1st) family member	\$40.00
Family Membership ( 2 parents, and children 16 and under)	\$125.00
Associate members	\$50.00
